Devine ISD Drug Testing Program Process

Confirm students eligibility for testing

Participation in extracurricular activity or drive a vehicle to school? — No → Not eligible for drug-testing

Yes

Consent form on file? — No → Not eligible for drug testing/participation in extracurricular activity/driving privileges

Yes

Student eligible/ screening sample taken

Positive Result? — Yes → Pinnacle contacts parents for medical explanation for a positive result

No

End of Process ← Yes — Medical explanation? — No →

Up to this point the district has not been notified of the screening results and will only be notified if a valid medical explanation is not provided

District/student notified

The student is notified of the positive result by the campus contact. A meeting is arranged with the parent, student, principal, and sponsor/coach to discuss consequences of the offense.

First positive result? — Yes → Suspended from extracurricular activity/driving for 30 days

Second positive result? — Yes → Suspended from extracurricular activity/driving for 90 days

Third positive result? — Yes → Suspended from extracurricular activities/driving for 1 calendar year

Fourth offense student is suspended from participation in any extracurricular activity/ driving permit for the remainder of the student's enrollment in the District

Tested at each testing date for 1 year

Positive result during suspension period? — Yes → Will be counted as next sequential offense with its related consequences

No

Privileges reinstated after suspension period

End of process
